Dear Matt

Amendment of Research Ethics Application

Ref No: R55382/RE003

Study Title: Exploring Social Metacognition

Thank you for submitting a request for an amendment to the above study, which has been reviewed on behalf of the Medical Sciences Interdivisional Research Ethics Committee (IDREC).

I am pleased to inform you that your request to:

- revise the online participant information and consent page, to state that data is stored as the participant progresses, rather than upon completion

has been judged as meeting appropriate ethical standards, on the basis of the information provided to the IDREC.

Please do not hesitate to contact me if you have any queries.

Yours Sincerely

A handwritten signature in black ink, reading 'H. Barnby-Porritt'.
